

Booth Time

Our monthly newsletter to keep you informed.

Friends,

In this day and age, there are so many ways you can spend your time and hard-earned dollars - fine dining, exotic vacations and good beer, just to name a few. There's nothing wrong with rewarding yourself for a job well done, but what would happen if you rewarded someone else instead?

John Andrews, President &
CEO of Bestpass, Inc.

This past month, Bestpass, along with the New York State Motor Truck Association, donated their time and money to something bigger than ourselves. We hosted a touch-a-truck event, called Operation: Big Wheels for Heroes, to benefit Wreaths Across America (WAA) - a charity that honors America's veterans during the holiday season and throughout the year.

We had three goals when we set out to organize and sponsor Operation: Big Wheels for Heroes - honor truck drivers, emergency workers and veterans that serve our country; raise public awareness of our industry; and collect enough money to sponsor a truckload of wreathes through TCA's Truckload of Respect program. We met all three of these goals with great success.

Bestpass continues to solidify a personal belief that good given is repaid with good received. My challenge to you, is to do something this month that shows you care just a bit more than most.

The Month of October

Operation: Big Wheels for Heroes a Success!

Thank you to everyone who helped make Operation: Big Wheels for Heroes a success!

Together, Bestpass and the New York State Motor Truck Association (NYSMTA) were able to raise \$1,540 in cash donations to benefit Wreaths Across America. That's more than an entire truckload of wreaths to go to Arlington

National Cemetery this year!

Spooky Halloween Facts

In honor of Halloween this month, we present everything you need to know about the creepy holiday. Enjoy.

Halloween is thought to have originated around 4000

B.C., which means Halloween has been around for over 6,000 years. The real question is, what was the costume selection like? Caveman or Cavewoman?

Halloween candy sales average about 2 billion dollars annually in the U.S. That's 90 million pounds of chocolate.

In Hollywood, you aren't allowed to use silly string on Halloween. If you do, you'll get a fine of \$1,000.

The 1978 film *Halloween* was on such a tight budget, that they used the cheapest mask they could find for Michael Myers. It just so happened to be William Shatner's Star Trek mask, painted white.

The most popular costume for Halloween 2014 is Elsa, from the Walt Disney Pictures' film, *Frozen*. We prefer 'Pete the Peterbilt.'

Signs of a werewolf are a unibrow, hairy palms, tattoos and a long middle finger. Look like someone you know? Us too.

Samhainophobia. The fear of Halloween.

TruckerB2B Joins the Battle Against Heart Disease!

The cause: In September, TruckerB2B joined the fight against one of the largest threats to the trucking community - cardiovascular disease. Not only did they raise almost \$15,000 for the American Heart Association (AHA), but employees also participated in the [AHA Heart Walk](#) in Utah and Indiana.

Why AHA? Cardiovascular disease is the leading cause of death in the United States and it is prevalent in the trucking industry. Over 40% of truck drivers have heart problems. 8 out of 10 truck drivers are overweight or obese, which most likely stems from the fact that 80% of those studied

admit to having unhealthy eating patterns.

What Bestpass did to help: Sponsored TruckingB2B's team that participated in the AHA Heart Walk.

How YOU can get involved: Donate and volunteer!
